FOR IMMEDIATE RELEASE

GRANDE POINTE, MANITOBA, AUGUST 18, 2024—Prairie Reign Gymnastics is thrilled to announce a facility expansion that will elevate the experience for athletes and families. This expansion underscores Prairie Reign’s unwavering commitment to providing the best possible environment for gymnasts of all levels in the Ritchot and South Winnipeg communities.

The expanded facility, scheduled for completion in early September, means that starting this fall, Prairie Reign will offer increased classes, additional state-of-the-art equipment, and a brand-new viewing area designed for parents to observe and celebrate their child’s progress. Whether it’s birthday parties, toddler classes or competitive training, there’s something for everyone!

“Our goal has always been to foster a love for gymnastics while nurturing self-confidence and promoting leadership and teamwork,” said Corie McCormick Colliou, Co-Owner of Prairie Reign Gymnastics. “This expansion allows us to welcome even more students into the community, and we’re excited to see the gymnasts thrive in this improved space.”

Registration is open for the upcoming season. Spaces are filling quickly, so parents are encouraged to sign up soon to secure their child’s spot. To learn more about Prairie Reign’s programs or to register, visit <https://prairiereigngymnastics.ca> or call (204) 235-1665.
